B01-BLAIR

Carter and I work in the same office. We've become good friends over time and decided to get away. Last weekend we went to a posh resort and ended up spending most of the time in our room. We had tickets to a show that we never even made it to, preferring to stay in and devour each other. Three days of uninterrupted lady love.

Tara & Carter

Unfortunately, the days went by too quickly and we decided to add a few more. Maybe now we can take in the next show? Or not!

"I'm more sexually active now than I ever have been in my life and I really don't know why. Maybe it's the self-confidence one gets as they grow older. Maybe it's the confidence I now have as a sexual partner. Maybe it's the fact I can no longer get pregnant that makes me much more adventurous.

B04-BLAIR

SITTER'S TITTIES

By the time Mr. Samuels got home, the toddlers had been asleep for hours, and I'd finished reading all the adult magazines he'd hidden under the liquor cabinet. Like it or not, babysitters know all your secrets. In Mr. Samuels' case, I couldn't help but notice that his favorite literature was mostly issues from the nineties, just as the era of the surgically implanted bionic women was underway.

The boobs in his magazines were mostly real. Some looked all soft and ready to stroke, and others looked stiff and horny. Of course, when I heard his car in the driveway, I slipped the magazines back in their hiding place and yanked my hand out of my underpants.

I'm only 19, but I'm not naive. I know most married men don't stay faithful when their wives travel on business. I sure hoped Mr. Samuels was one of those. Then...wow! Suddenly I realized I could smell my cunny juices, ever so faintly, on my fingers. It was more than possible that the smell from my playing with myself was getting through to Mr. Samuels.

I couldn't help noticing that Mr. Samuels had quite a bulge in his pants. A second later he really amazed me. He blurted out, "Honestly, Jessica, I have a case

Love You. Love Your Boobies

I've always been a big boobs man. Unless she's packing some D- or DD-cups, just keep on walking by. There's something about taking those poppies in your hands and not being able to cup them completely. You kinda have to do it one at a time, both hands on. I love it when I hug a well-endowed woman and I feel those soft mounds pressing against my chest. And when I can't get my arms totally around her because of the size of her boobs, well then, she's perfect for me. And when we're in bed, and she's on top of me, those it's those boobs I want to feel on me; soft and warm. For me, that's why I love Sara Jay. I've followed her and her boobs for years and have often fallen asleep with her magazines under my pillow imagining her beautiful boobs pressing on me. Dream on.

— Billy Joe, Memphis

of blue balls you wouldn't believe."

But I recovered quickly. Sounding as coy as I could manage, I answered, "I could help you with that." I slipped my T-shirt over my head. I wasn't wearing a bra; my B-cup titties are very firm, so I don't really need one unless I'm jogging or something.

"Jess, don't tempt me. The last thing I need to do is knock up an 19-year-old girl." On the other hand, though, he couldn't take his eyes off my chest. Like the models in his old-fashioned magazines, I'm real and natural, with nipples that start out soft and stiffen visibly while a guy watches when I get turned on. I could feel myself blush all the way down to my nipples as he stared at my ripening apples.

"There are plenty of sexy activities that can't get a girl pregnant," I pointed out with a giggle. "You like my titties? Nobody gets pregnant from a nice, hard titty-fuck."

"They're exquisite," he admitted.

"You can touch 'em if you want."

He moved toward me and cupped my breasts. "There are a million reasons not to do this," he said, more to himself than to me. But, I noticed that he didn't seem able to name any of those reasons.

Besides, his hands felt wonderful on my titties. He squeezed them like a trained massage therapist, rubbing them deeply, down to the pectoral muscle underneath. At first, he didn't aim too much direct pressure at my nipples. He teased me a little, circling around until tiny goose pimples stood up in a circle around the big central pencil-point.

"You want to see the rest of my body? We don't have to fuck. You can look at me and get off. I'd like to see you come. I've never seen an older guy lose control." I wasn't really begging. I could tell from the bulge in his pants that he wanted it as much as I did. He just had to be talked into it, so he could be certain that I was mature enough to understand what I was asking for.

He didn't try to fight the feeling any longer. He just nodded and watched, fascinated, as I slipped out of my jeans. "God, you're beautiful," he groaned. "So young and perfect."

"All right, now let me see yours," I said playfully. He started unbuttoning his shirt, and I went to work on his pants. His thing stuck straight out from his body when it was freed; I petted it and found myself rubbing my titties against it. It was hot and throbbing, and I liked touching it. Again remembering the dirty magazines, I went straight for his weak point.

"You wanna rub off on my titties? That wouldn't even be cheating on your wife. Please, lover, give it to me. Rub your sweet thing all over my soft, sensitive chest.

No one would ever have to know."

"Oh god," he moaned. "How can I say no?"

I lay down on the carpet and let him get on top of me with his hard-on between my tits. Maybe he didn't want to do it in his wife's bed, so we just did it right there, in the living room. His new carpet was real soft on my bare back.

As I rested on the floor, I squeezed my all-natural B-cups together to make a soft, dark tunnel. He squatted over me, then gently rocked back and forth, savoring the feel of my soft titties as he slowly glided into my cleavage.

The friction was intense. I could make myself as tight as I wanted just by using my hands to press my titties closer and closer together. Soon I had him clamped like a tool in a vise. The more he fucked between my little apples, the sweatier and slicker I got. I turned my hands so that I was cupping my tits from the top as

well as the sides, which allowed me to flick my hard nipples while we worked.

I hadn't expected an actual orgasm, so it hit me hard making me cry out as I spasmed for the first time ever in my chest. My globes thrashed and convulsed in the kind of spastic contractions I generally only experience in my pussy.

"Fuck!" Mr. Samuels cried out. "I'm going to explode!"

I couldn't really blame him. Lifting my hands from my jiggling B-cups, I let my tits flop open to set him free. My mouth flew open, and he thrust upward just in time. His spunk gushed out in thick, tasty globs that coated my taste buds and the back of my throat. I had to swallow several times, fast and hard, to get it all down.

I still haven't had Mr. Samuels below the waist. As good as it is this way, I might never bother to take him that far.

Jessica. South Dakota

AN AGREEABLE THREESOME

My wife Carly, and I agreed early on that our sex life would include threesomes. We're both still sexually intense and feel that sharing our bodies is normal, exciting, and rewarding. Our latest ménage à trios involved a cute twenty year old, Tanya, we picked up at a friend's party.

We began the evening with Carly inviting our guest to sit beside me on the sofa. I moved my hand over and placed it on Tanya's mound, rubbing her gently through the short mini-dress she wore. She wiggled around nervously and admitted she was pretty inexperienced when it came to threesomes.

To relax our guest, Carly sat down beside her and removed her own blouse. Carly took Tanya's right hand and placed it on one of her naked breasts. Tanya giggled at the new experience of exploring the breasts and nipples of another female. Slowly, Tanya gained the courage to use both hands to explore Carly's forty-something, full, fleshy breasts and to tease the nipples with her fingers.

Tanya's dress came off easily to reveal a smooth, firm body without underclothing. Of course, with such a tight little body, Tanya didn't need to wear a bra. Her perky breasts were just enough to fill my hands. Her little brown nipples became hard under my fingers and pointed upward.

It's so exciting to explore a new, tight body. I wanted to devour Tanya and eat

her pussy until she couldn't stand it anymore. This was one girl I almost didn't want to share.

My dick grew rock-hard as I played with Tanya's breasts. There we sat, the three of us, all engaged in tit-play. Tanya played with Carly's full breasts, while my wife and I took turns rubbing and tickling Tanya's breasts.

Since Tanya was now obviously more at ease with us, Carly took things a little further. She stood up and stripped from the waist down, then stood in front of Tanya with her pussy right in Tanya's face. Carly's pussy was covered with a thick layer of fine brown pubic hair. I love the feel of running my fingers through all that beautiful hair and knew Tanya would love it also if we could just give her enough encouragement.

I suggested that Tanya feel Carly's pussy. She began slowly, a little unsure of herself, but as Carly moaned and pushed her pussy closer to Tanya's face, Tanya became bolder.

I then encouraged Tanya to smell Carly's pussy. Tanya leaned in and gave a little sniff. She nuzzled her nose in Carly's pubic hair and pressed her whole face into that fabulous thick bush. From inside the hair, Tanya moaned drunkenly and inhaled the rich pussy smell.

Watching Tanya experience pussy for the first time was such ecstasy I couldn't keep my pants on any longer. I whipped them off and pulled out my dick, oversized with arousal. Once Tanya caught a glimpse of

my dick, she turned from Carly's pussy to stare at it. Overwhelmed with the sight, she let a little saliva fall from her mouth. Before Tanya had even had her first taste of pussy she scooted over to my dick.

Carly didn't object when Tanya left her pussy and turned around. She knelt in front of me, opening her mouth wide to receive as much dick as she could hold. Carly knelt beside her to give her encouragement and direction since she knows exactly how I like my dick sucked and gave Tanya detailed instructions the whole time.

The sucker should completely and snugly envelop the shaft with her mouth. She should also suck up and down briskly and firmly, with her upper teeth only slightly tickling the tip. Tanya was an extremely good student and, within a matter of minutes, she was sucking

me with the same expertise as Carly. A couple of times, inexperienced little Tanya pressed too hard with her teeth, but then she quickly made up for it by sucking me down deep.

Carly spread Tanya's knees apart and lay down on the floor between her legs. With Tanya's pussy directly over her, Carly licked and chewed on the hot little tight folds. Tanya must have really enjoyed what my wife was doing to her, because she stopped sucking on me and humped up and down on Carly's face. With giggles and screams of delight, Tanya bounced up and down and pushed her pussy hard onto Carly's tongue.

Tanya turned back to sucking me so energetically that I immediately came in her young mouth—hard, fast, and plenty. I held her head firmly against me so my dick reached right down her throat. She greedily

swallowed all of my cum, then looked up at me with her big brown eyes as if to thank me. I looked down and smiled back at her and mouthed, 'Nice.'

That beautiful sight was enough to keep my dick hard and ready to try out Tanya's tight pussy. I gently pulled her off her knees and asked her to get on the sofa. I turned her ass to meet my dick, and Tanya knelt on all fours with ass raised. My wife got on the sofa on her back in front of Carly. She bent down to finally get a taste of Carly's pussy. Now it was Carly's turn to hump and press her pussy into sweet little Tanya while I entered her with my dick.

Fucking Tanya was slow going at first. Her pussy was so tight around my dick that it pinched. Pretty soon, though, I was pounding and slamming into that tight pussy, enjoying and loving every second of it.

After I had come several times that evening, I relaxed by watching the two girls eat each other to the point of exhaustion. Although we never saw Tanya after that night of hard fucking, my wife and I continue to quench our thirst for threesomes by finding more tight young pussy.

large plastic pleasure

*What does a blind man use to ski?
A skiing eye dog.*

I'm not much of a skier, but I wasn't going sit in the lodge all day.

ski spree

THE EXERCISE PHYLLIS GOT AT THE SKI RESORT HAD NOTHING TO DO WITH SNOW

I wasn't looking for anything but a weekend getaway. I'd been working long hours, putting in lots of extra time at work, and I needed some R&R. I didn't object to working late so many nights...my relationship with live-in boyfriend Robbie was clearly on its last legs, and going home to the shards of a relationship was anything but a pleasant prospect, so staying late at the office nightly suited me just fine. But there comes a time when you burn out.

I hit that point right before Robbie packed up his things and moved out, leaving me much relieved and yet unexpectedly lonely. I'm not sure if I actually missed him or just missed what-might-have-been, but in any case, the house was suddenly large, empty, and not where I wanted to be.

Presidents' Day was coming up fast—a long weekend, which I saw as a chance to get away, recharge my batteries, have some fun, not work, and not stare at the four walls Robbie no longer inhabited with me. I booked a room at a ski lodge.

I'm not much of a skier, to tell you the truth, but I thought doing something physical would be good for me, and anyhow the vacation activity choices in winter are limited unless you want to fly to California, Florida, or the Caribbean, none of which made sense to me for just three days. And there was no way I could take extra time off right then. So a ski weekend it was.

I got through the first day's skiing more on my

butt than on my feet, and as I forced myself to keep skiing, this was feeling more like torture than like a vacation. But I didn't fancy sitting on my ass in the ski lodge all day, so I gritted my teeth and went back to the lift yet again, wondering why I was doing this to myself and looking at my watch for the umpteen-millionth time to see if it was anywhere near an hour when I could give myself permission to stop this torture.

Finally it was.

I'm not much of a drinker, but I got myself some hot hard cider to curl up with and sat off in a corner, aching muscles and all. As I sat there, I cursed myself for a really dumb decision, thinking that a weekend in my lonely house wouldn't've been that bad, after all.

Then she walked in.

Clearly she had no problems coping with the slopes...or having a good time. There wasn't a hint of fatigue or of muscle ache in the way she moved those lithe, long limbs. And from the way her smile lit up the place, she certainly wasn't feeling sorry for herself, the way I was. Her smile revealed teeth that sparkled to compete with the light that shone from her eyes. Her hair, a curly reddish brown, bounced as she moved her head animatedly in conversation with several groups of people.

Then she noticed me, sitting by myself.

"Join the fun!" she said, bouncing over in my direction. "You look like you've lost your best friend."

"No—only my boyfriend," I blurted out.

She kneaded my buttocks, and I felt a gush of pussy-juice as she worked my glutes, then glided back up my back, heading for my shoulders.

"He ran off with another skier?" She arched an eyebrow inquisitively, the smile fading from her lips as she realized I was serious.

"No—this happened back home."

"So you're here by yourself, nursing your wounds and having a rotten time." She rubbed my shoulder sympathetically. My body sparked at her touch. Tingles were traveling through my body and settling in my clit. I'd known I was bisexual—I'd even acted on it a few times—but in the three years I'd lived with Robbie, I hadn't been turned on by another girl, and if I thought about it at all—that my attraction to girls was a thing of the past.

Now I could see that wasn't true.

"I'm Shelley," she said, reaching for my hand and squeezing it. "You need a friend. Let me help. Why aren't you up here with one of your friends from home—or is that none of my business?"

"I didn't want to inflict my bad mood on anyone."

"Inflict it on me. I have strong shoulders." She put an arm around my shoulders and squeezed in a reassuring way. "C'mon—let's go take a walk."

I stood up and took two steps, but my sore muscles rebelled. Shelley saw me wince, saw the awkward way I was moving, and said, "Honey, you're hurting! Forget the walk! Come up to my room—I've got some ointment. Just show me all the places where it hurts, and we'll fix you up."

"Oh, I don't want to put you out—"

"Nonsense! You come with me!"

Meekly following Shelley, I learned as we walked that she had come up to the ski resort with two friends, both of whom had met guys up there already, so she didn't expect to see much of either of them for the rest of the weekend. They each had separate rooms, so privacy, at least, wasn't an issue. "Get your clothes off and lie down," she suggested as we closed the door of her room behind us.

Suddenly I felt awkward: Take off my clothes? When I was so turned on? What if my juices, already welling between my swollen labes, leaked visibly down my thighs or wetted the bed where she wanted me to lie? Once again, I said, "Oh, I feel badly about putting you out," but she cut me off before I could get any further.

"Don't be a horse's ass," she said. "You're hurting. I have ointment. Let me rub some into you. Where does it hurt?" The touch of her hands on my bare skin sent tingles through me. In spite of myself, my hips began to churn and chug, though I tried hard to

will them still. Would she notice? I tried to move all over, to make my fuck-motions less obvious. Let her think I was simply restless. And indeed I was. As her hands touched me, I was restless, eager, filled with sexual energy. My nipples tingled. My clit throbbed.

Shelley was rubbing my buns now. The ointment was warm and cool simultaneously, and her hands were both soft and strong at the same time too. She kneaded my buttocks, and I felt a gush of pussy-juice as she worked my glutes, then glided back up my back, heading for my shoulders. I sighed too loudly at the touch of her hands on my tingling skin. "Now roll over," she said.

I hesitated. Was the bed wet? But she pushed at me, and I had no choice. From the way she was staring, there was a wet spot. I knew it for sure when she said, "It looks like you have another problem that needs attention too." Then she wasn't freaked? Grossed? Angry? "Let me wash the ointment off my hands." Then she was bi too?

A minute later she was back, and she was kissing my thighs, never minding the taste of the ointment working her way gradually toward my pussy. But just when I thought she'd start licking my clit, she settled down on top of me, her body's pressure inciting my body into flames. "I have the same problem you do," she said, and ground her pussy needfully against mine. "Let's solve our problem together."

Then her lips met mine as her pussy humped up and down insistently, and I welcomed her tongue into my mouth as the reddish-brown hairs of her pussybush melded with my own. I felt her fluids seeping from her weeping slit, blending with my own juices as we ground rhapsodically together.

BLAIR-NTS-10

I felt her tongue snake out and delve into my slit, where it slithered along the furrow, tantalizing me but not bringing me close to coming.

"Oh, honey!" she groaned as a mini-orgasm gripped her body, and she stiffened in ecstasy as she reached the mini-crest, groaning and even emitting a small sob or two. Then, a minute later, she was driving against me harder than ever as she strove to reach another climax.

I slipped a hand between our two bodies, palm-up, and located one full, ripe breast. Squeezing it, I heaped coals on the fire of her passion, then concentrated on her nipple, which I titillated with quick, circular strokes. "Yesss!" she seethed, as she felt the pad of my fingertip insistently rubbing her nip. "Yessss, oh honey, yesss!"

We hunched together in perfect unison, and I felt her rising toward another climax. She surged into it quickly, grinding so hard against me that my pubic bone felt bruised. Then she was gasping as she crested, and this time she let out a squeal that ended in a groan accompanied by a shudder...but clearly, she wasn't finished yet.

I hadn't come at all yet, but as she began to hunch against me yet again, I felt my fever continually rising. My clit felt as swollen as a tomato, ripe and ready to burst. My juices had soaked the bed beneath me, though I no longer had any reason to feel self-conscious about it. My thighs and buttocks were tight and tingling, my nipples tingling, too.

Shelley shifted position slightly, and now we were in a scissors, her thigh between my two legs and my thigh between hers, so that instead of grinding our pussies together, we were hunching against each other's leg. "Ooooooh, you're so wet," she husked. "Mmmmm, I love juicy ladies." Then she

dug harder against me and kissed me again.

Suddenly she reversed on me, into a 69 position. Her lips were at my labes and her labes were at my lips. I felt her tongue snake out and delve into my slit, where it slithered along the furrow, tantalizing me but not bringing me close to coming. "Mmmffff!" I protested, my mouth too plastered against Shelley's muff for me to be able to speak.

Shelley ignored my protests and continued to skate up and down my slit without getting too close to my clit. Writhing in need, I tried to launch my clit against her tongue, but to no avail. Finally I took my tongue away from her clit. That got the message across. When I refrained from tonguing her and insisted, "Mmmmm! Mmmmm!" she got the point and slid her tongue across to my clit, finally bringing pressure to bear against my pointy little mini-mount.

At that point, I returned my tongue to her clit. Swirling around her peak, I teased it with the side of my tongue and again got her body jumping to the tune of my tongue. She at last had me where I wanted to be, too: barreling straight upward toward a much-needed orgasm as needles of desire pricked my clit and my head buzzed with need and with rushing blood.

Just when I felt I was almost there, Shelley switched tactics and began to nibble my clit with her teeth. The change was at first disconcerting—it threw me off track and deterred me from my imminent orgasm. But I regrouped, changed gears, and got back into the rhythm. And once again I was near to coming as those sharp but cautious teeth nibbled carefully and insistently at my clit-button.

In the frenzy of trying to come, I let my tonguing of Shelley's clit get sloppy. But she was ahead of me in the orgasm score—it was my turn to catch up, or at least to narrow the difference in tally. Humping as wildly as I could in that position, I gasped my way toward a stunner of a climax.

With a wild screech—way too loud considering where we were—I felt my body convulse into orgasm, and my heart pounded as I went over the top. I was still up there when I realized I was neglecting Shelley and, still in the throes of orgasm, resumed a deliberate and insistent tonguing of her clit.

She followed me into climax, grinding hard against my juice-washed face.

I went nowhere near the slopes for the rest of the weekend, but I had exactly the kind of weekend I needed and returned home refreshed and relaxed.

I've come to America to find me some really well hung American men. My girlfriend was here and she was very happy with their fucking, she told me. She thought American men much more horny than Argentinian men, and like more sex.

Danielle

Now I am here to find out for myself. I am a good fuck and can offer many hours to them for fucking me, too.
